

## LATIN AMERICA WORKSHOP ON GREEN FREIGHT PROGRAMS

**Day 1 – Tuesday June 27, 2017** Buenos Aires, Argentina

9:30 – 9:45  Brief introduction and welcome  Agustin Matteri, Legal Specialist, UN Environment  Andrés Gartner, Chief Advisor, Ministry of Transport  9:45 – 10:45  Global trends, challenges and opportunities for green freight Moderator: Cristiano Façanha, Program Lead, International Council on Clean Transportation  Catalina Etcheverry, Coordinator, Climate and Clean Air Coalition to Reduce Short Lived Climate Pollutants  Shomik Raj Mehndiratta, Practice Manager, Transport and ICT Global Practice at World Bank  Cheryl Bynum, National Program Manager, US EPA SmartWay  Coffee break  Argentina ministerial welcome and opening remarks  Guillermo Krantzer, Transportation Management Secretary of Transport  Andrea Heins, Secretary of Energy Efficiency  Soledad Aguilar, Nacional Director of Climate Change  Daniel Indart, President, Argentina Federation of Transportation Companies  12:00 – 13:00  Lunch  Setting the stage of Latin American freight and logistics  Moderator: Jorge Tesler, Director, Logistics Sustainable Center in Argentina  Julio Villalobos, Director, Center of Transport and Logistics, Andrés Bello University  Martín Tanco, Professor, University of Montevideo  Roberto Domecq, National Commission Director of Transit and Road Safety  Gordon Wilmsmeier, Professor, University of Los Andes (via video)  Resources and solutions to support green freight programs  Moderator: Buddy Polovick, Environmental Protection Specialist at US EPA SmartWay  Cristiano Façanha, Program Lead, International Council on Clean Transportation  Cecilia M. Briceno-Garmendia, Lead Economist, Transport and Global Practice, World Bank  Rick Baker, Senior Scientist, Eastern Research Group, Inc.  Julio Velázquez, Manager, Argentina Federation of Company Entities of Cargo Transport
Andrés Gartner, Chief Advisor, Ministry of Transport  Global trends, challenges and opportunities for green freight Moderator: Cristiano Façanha, Program Lead, International Council on Clean Transportation     Catalina Etcheverry, Coordinator, Climate and Clean Air Coalition to Reduce Short Lived Climate Pollutants     Shomik Raj Mehndiratta, Practice Manager, Transport and ICT Global Practice at World Bank     Cheryl Bynum, National Program Manager, US EPA SmartWay  Coffee break  Argentina ministerial welcome and opening remarks     Guillermo Krantzer, Transportation Management Secretary of Transport     Andrea Heins, Secretary of Energy Efficiency     Soledad Aguilar, Nacional Director of Climate Change     Daniel Indart, President, Argentina Federation of Transportation Companies  12:00 – 13:00  Lunch  Setting the stage of Latin American freight and logistics  Moderator: Jorge Tesler, Director, Logistics Sustainable Center in Argentina     Julio Villalobos, Director, Center of Transport and Logistics, Andrés Bello University     Martin Tanco, Professor, University of Montevideo     Roberto Domecq, National Commission Director of Transit and Road Safety     Gordon Wilmsmeier, Professor, University of Los Andes (via video)  Resources and solutions to support green freight programs  Moderator: Buddy Polovick, Environmental Protection Specialist at US EPA SmartWay     Cristiano Façanha, Program Lead, International Council on Clean Transportation     Cecilia M. Briceno-Garmendia, Lead Economist, Transport and Global Practice, World Bank     Rick Baker, Senior Scientist, Eastern Research Group, Inc.     Julio Velázquez, Manager, Argentina Federation of Company Entities of Cargo Transport
Global trends, challenges and opportunities for green freight   Moderator: Cristiano Façanha, Program Lead, International Council on Clean Transportation   Catalina Etcheverry, Coordinator, Climate and Clean Air Coalition to Reduce Short Lived Climate Pollutants   Shomik Raj Mehndiratta, Practice Manager, Transport and ICT Global Practice at World Bank   Cheryl Bynum, National Program Manager, US EPA SmartWay   Coffee break
Moderator: Cristiano Façanha, Program Lead, International Council on Clean Transportation Catalina Etcheverry, Coordinator, Climate and Clean Air Coalition to Reduce Short Lived Climate Pollutants Shomik Raj Mehndiratta, Practice Manager, Transport and ICT Global Practice at World Bank Cheryl Bynum, National Program Manager, US EPA SmartWay  Coffee break  Argentina ministerial welcome and opening remarks Guillermo Krantzer, Transportation Management Secretary of Transport Andrea Heins, Secretary of Energy Efficiency Soledad Aguilar, Nacional Director of Climate Change Daniel Indart, President, Argentina Federation of Transportation Companies  Lunch  Setting the stage of Latin American freight and logistics Moderator: Jorge Tesler, Director, Logistics Sustainable Center in Argentina Julio Villalobos, Director, Center of Transport and Logistics, Andrés Bello University Martin Tanco, Professor, University of Montevideo Roberto Domecq, National Commission Director of Transit and Road Safety Gordon Wilmsmeier, Professor, University of Los Andes (via video)  Resources and solutions to support green freight programs Moderator: Buddy Polovick, Environmental Protection Specialist at US EPA SmartWay Cristiano Façanha, Program Lead, International Council on Clean Transportation Cecilia M. Briceno-Garmendia, Lead Economist, Transport and Global Practice, World Bank Rick Baker, Senior Scientist, Eastern Research Group, Inc. Julio Velázquez, Manager, Argentina Federation of Company Entities of Cargo Transport
Catalina Etcheverry, Coordinator, Climate and Clean Air Coalition to Reduce Short Lived Climate Pollutants Shomik Raj Mehndiratta, Practice Manager, Transport and ICT Global Practice at World Bank Cheryl Bynum, National Program Manager, US EPA SmartWay  Coffee break  Argentina ministerial welcome and opening remarks Guillermo Krantzer, Transportation Management Secretary of Transport Andrea Heins, Secretary of Energy Efficiency Soledad Aguilar, Nacional Director of Climate Change Daniel Indart, President, Argentina Federation of Transportation Companies  12:00 – 13:00  Setting the stage of Latin American freight and logistics Moderator: Jorge Tesler, Director, Logistics Sustainable Center in Argentina Julio Villalobos, Director, Center of Transport and Logistics, Andrés Bello University Martin Tanco, Professor, University of Montevideo Roberto Domecq, National Commission Director of Transit and Road Safety Gordon Wilmsmeier, Professor, University of Los Andes (via video)  Resources and solutions to support green freight programs Moderator: Buddy Polovick, Environmental Protection Specialist at US EPA SmartWay Cristiano Façanha, Program Lead, International Council on Clean Transportation Cecilia M. Briceno-Garmendia, Lead Economist, Transport and Global Practice, World Bank Rick Baker, Senior Scientist, Eastern Research Group, Inc. Julio Velázquez, Manager, Argentina Federation of Company Entities of Cargo Transport
Climate Pollutants Shomik Raj Mehndiratta, Practice Manager, Transport and ICT Global Practice at World Bank Cheryl Bynum, National Program Manager, US EPA SmartWay  Coffee break  11:00 – 12:00  Argentina ministerial welcome and opening remarks Guillermo Krantzer, Transportation Management Secretary of Transport Andrea Heins, Secretary of Energy Efficiency Soledad Aguilar, Nacional Director of Climate Change Daniel Indart, President, Argentina Federation of Transportation Companies  Lunch  Setting the stage of Latin American freight and logistics Moderator: Jorge Tesler, Director, Logistics Sustainable Center in Argentina Julio Villalobos, Director, Center of Transport and Logistics, Andrés Bello University Martin Tanco, Professor, University of Montevideo Roberto Domecq, National Commission Director of Transit and Road Safety Gordon Wilmsmeier, Professor, University of Los Andes (via video)  Resources and solutions to support green freight programs Moderator: Buddy Polovick, Environmental Protection Specialist at US EPA SmartWay Cristiano Façanha, Program Lead, International Council on Clean Transportation Cecilia M. Briceno-Garmendia, Lead Economist, Transport and Global Practice, World Bank Rick Baker, Senior Scientist, Eastern Research Group, Inc.
Shomik Raj Mehndiratta, Practice Manager, Transport and ICT Global Practice at World Bank Cheryl Bynum, National Program Manager, US EPA SmartWay  10:45 – 11:00 Coffee break  11:00 – 12:00 Argentina ministerial welcome and opening remarks Guillermo Krantzer, Transportation Management Secretary of Transport Andrea Heins, Secretary of Energy Efficiency Soledad Aguilar, Nacional Director of Climate Change Daniel Indart, President, Argentina Federation of Transportation Companies  12:00 – 13:00 Lunch  Setting the stage of Latin American freight and logistics Moderator: Jorge Tesler, Director, Logistics Sustainable Center in Argentina Julio Villalobos, Director, Center of Transport and Logistics, Andrés Bello University Martín Tanco, Professor, University of Montevideo Roberto Domecq, National Commission Director of Transit and Road Safety Gordon Wilmsmeier, Professor, University of Los Andes (via video)  14:00 – 15:00 Resources and solutions to support green freight programs Moderator: Buddy Polovick, Environmental Protection Specialist at US EPA SmartWay Cristiano Façanha, Program Lead, International Council on Clean Transportation Cecilia M. Briceno-Garmendia, Lead Economist, Transport and Global Practice, World Bank Rick Baker, Senior Scientist, Eastern Research Group, Inc. Julio Velázquez, Manager, Argentina Federation of Company Entities of Cargo Transport
Cheryl Bynum, National Program Manager, US EPA SmartWay  10:45 – 11:00 Coffee break  Argentina ministerial welcome and opening remarks Guillermo Krantzer, Transportation Management Secretary of Transport Andrea Heins, Secretary of Energy Efficiency Soledad Aguilar, Nacional Director of Climate Change Daniel Indart, President, Argentina Federation of Transportation Companies  12:00 – 13:00 Lunch  Setting the stage of Latin American freight and logistics Moderator: Jorge Tesler, Director, Logistics Sustainable Center in Argentina Julio Villalobos, Director, Center of Transport and Logistics, Andrés Bello University Martín Tanco, Professor, University of Montevideo Roberto Domecq, National Commission Director of Transit and Road Safety Gordon Wilmsmeier, Professor, University of Los Andes (via video)  14:00 – 15:00 Resources and solutions to support green freight programs Moderator: Buddy Polovick, Environmental Protection Specialist at US EPA SmartWay Cristiano Façanha, Program Lead, International Council on Clean Transportation Cecilia M. Briceno-Garmendia, Lead Economist, Transport and Global Practice, World Bank Rick Baker, Senior Scientist, Eastern Research Group, Inc. Julio Velázquez, Manager, Argentina Federation of Company Entities of Cargo Transport
10:45 – 11:00 Coffee break  11:00 – 12:00 Argentina ministerial welcome and opening remarks  - Guillermo Krantzer, Transportation Management Secretary of Transport  - Andrea Heins, Secretary of Energy Efficiency  - Soledad Aguilar, Nacional Director of Climate Change  - Daniel Indart, President, Argentina Federation of Transportation Companies  12:00 – 13:00 Lunch  Setting the stage of Latin American freight and logistics  Moderator: Jorge Tesler, Director, Logistics Sustainable Center in Argentina  - Julio Villalobos, Director, Center of Transport and Logistics, Andrés Bello University  - Martín Tanco, Professor, University of Montevideo  - Roberto Domecq, National Commission Director of Transit and Road Safety  - Gordon Wilmsmeier, Professor, University of Los Andes (via video)  14:00 – 15:00 Resources and solutions to support green freight programs  Moderator: Buddy Polovick, Environmental Protection Specialist at US EPA SmartWay  - Cristiano Façanha, Program Lead, International Council on Clean Transportation  - Cecilia M. Briceno-Garmendia, Lead Economist, Transport and Global Practice, World Bank  - Rick Baker, Senior Scientist, Eastern Research Group, Inc.  - Julio Velázquez, Manager, Argentina Federation of Company Entities of Cargo Transport
11:00 – 12:00  Argentina ministerial welcome and opening remarks  Guillermo Krantzer, Transportation Management Secretary of Transport  Andrea Heins, Secretary of Energy Efficiency Soledad Aguilar, Nacional Director of Climate Change Daniel Indart, President, Argentina Federation of Transportation Companies  Lunch  Setting the stage of Latin American freight and logistics Moderator: Jorge Tesler, Director, Logistics Sustainable Center in Argentina Julio Villalobos, Director, Center of Transport and Logistics, Andrés Bello University Martín Tanco, Professor, University of Montevideo Roberto Domecq, National Commission Director of Transit and Road Safety Gordon Wilmsmeier, Professor, University of Los Andes (via video)  14:00 – 15:00  Resources and solutions to support green freight programs Moderator: Buddy Polovick, Environmental Protection Specialist at US EPA SmartWay Cristiano Façanha, Program Lead, International Council on Clean Transportation Cecilia M. Briceno-Garmendia, Lead Economist, Transport and Global Practice, World Bank Rick Baker, Senior Scientist, Eastern Research Group, Inc. • Julio Velázquez, Manager, Argentina Federation of Company Entities of Cargo Transport
(FADEEAC)
• Sophie Punte, Executive Director, Smart Freight Centre (via video)  15:00 – 15:15 Coffee break
15:15 – 16:30 Exchanging lessons learned and best practices
Moderator: Erica Marcos, Consultant, International Council on Clean Transportation
Judith Trujillo, Subdirector, SEMARNAT in Mexico     Antanalla Tambagga, Advisor, Ministry of Industry, Energy and Mining in Livraguey.
<ul> <li>Antonella Tambasco, Adviser, Ministry of Industry, Energy and Mining in Uruguay</li> <li>Vinicius Ladeira, Adjunct Director, SEST SENAT in Brazil National Confederation of Transport</li> </ul>
<ul> <li>Vinicius Ladeira, Adjunct Director, SEST SENAT in Brazil National Confederation of Transport</li> <li>José Solis Valencia, Economics Specialist, Peruvian Ministry of Transport and Communication</li> </ul>
Mayra Barragan, Specialist, Colombia Directorate of Sectorial and Urban Environmental
Affairs
16.30 – 17.00 Final remarks and closing
Cheryl Bynum, National Program Manager, US EPA SmartWay

Day 2 – Wednesday June 28, 2017 Buenos Aires, Argentina

9:00 - 9:15	Registration
9:15 - 9:30	Welcome and opening remarks
	Guillermo Campra, National Automotive Cargo Transport Director
9:30 - 9:45	Introduction
	<ul> <li>Cheryl Bynum, National Program Manager, US EPA SmartWay</li> </ul>
9:45 -10:45	Module 1: Drivers for green freight initiatives
	Cheryl Bynum and Buddy Polovick, US EPA SmartWay
10:45 - 11:00	Coffee break
11:00 – 11:30	Group exercise with breakout groups and group discussion
11:30 - 12:30	Module 2: Build program foundation
	Cheryl Bynum and Buddy Polovick, US EPA SmartWay
12:30 - 1:30	Lunch
13:30 - 14:30	Module 3: Create program
	Cheryl Bynum and Buddy Polovick, US EPA SmartWay
14.30 - 15.30	Coffee break
15:30 - 15:45	Module 4: Launch and implement program
	Cheryl Bynum and Buddy Polovick, US EPA SmartWay
15:45 – 16:30	Module 5: Evaluate, refine, enhance, expand
	Cheryl Bynum and Buddy Polovick, US EPA SmartWay
16:30 - 17:00	Discussion, Q&A and closing

## **SMARTWAY TECHNOLOGY VERIFICATION**

**Day 3 - Thursday June 29, 2017** 

Buenos Aires, Argentina

9:00 - 10:00	Module 1: Why develop a heavy-duty diesel Technology Verification Program?
	Anthony Erb, US EPA
10:00 - 10:15	Coffee break
10:15 - 10:45	Group exercise with breakout groups and group discussion
10:45 – 12:00	Module 2: Getting started
	Anthony Erb, US EPA
12:00 - 13:00	Lunch
13:00 - 14:00	Module 3: Design your program
	Anthony Erb, US EPA
14:00 – 14:15	Coffee break
14:15 – 15:00	Module 4: Launch your program
	Anthony Erb, US EPA
15:00 – 15:30	Module 5: Evaluate, refine, and expand
	Anthony Erb, US EPA
15:30 – 16:00	Discussion, Q&A and closing
