

**Working Meeting of the G20 Transport Task Group**  
Buenos Aires, Argentina | September 24-25, 2018

**Objective:** Take stock of the important progress made improving the energy efficiency and environmental performance of heavy-duty vehicles in G20 economies, and engage in a strategic discussion of the group's activities and vision for the coming years.

**Monday, September 24, 2018**

11:00	Gather at Kenton Palace for meet-and-greet; Leave hotel on bus for FADEEAC
13:00	Site visit to FADEEAC and lunch
	<p><i>Fundación para la Formación Profesional en el Transporte (FPT) is the academic body of the Federación de Entidades Empresarias del Autotransporte de Cargas (FADEEAC). FADEEAC is a federation of transport cargo business chambers. FPT's objective is to train land transportation professionals. FPT teaches courses and programs for all levels of the cargo transport and logistics sector. The national government authorizes FPT to issue courses for truck drivers to obtain the National License.</i></p> <p>The site visit was held at the FPT. The venue has 1600 meters tracks for truck testing, as well as 800 m<sup>2</sup> semi-covered parking for trucks. The classrooms have state-of-the-art technology and heavy vehicle driving simulators.</p>

**Tuesday, September 25, 2018**
